Projections

- | | |
|-----------------|---------|
| 32 Introduction | 35 Uses |
| 34 Overview | |

3

The plan view and the rendition of symbols

- | | |
|--|---|
| Scale | Surfaces and materials |
| 38 Scale and drawings | 86 Paving patterns and scales |
| Buildings | 88 Freehand surfaces |
| 40 Floor plans and roof plans | 90 Walls, stairs, and ramps |
| 41 Roof plans and shadows | 91 Rocks and stone walls |
| Trees and vegetation | Water |
| 42 Drawing trees | 92 Built water features |
| 48 Tree symbols | 95 Moving water |
| 52 Shade, shadows, and tonal values | Enlivening scenes |
| 56 Tree groups | 96 Furniture and people |
| 64 Shrubs, hedges, and grass | Topography and terrain |
| 66 Trimmed hedges and woody plants | 98 Contour lines |
| 70 Vegetation surfaces | 101 Retaining walls |
| 72 Flowering plants | Graphic symbols |
| 76 Sketching planting beds | 102 North arrow and graphic scales |
| Built structures | Putting everything together |
| 82 Pergolas, garden pavilions, and arbours | 104 Drawing process |
| | 106 Elements of a successful line drawing |

4

Elevation and section

- | | |
|---|--------------------------------------|
| Elevation | Built structures |
| 110 Introduction | 134 Pergolas, pavilions, and arbours |
| 112 Construction | 136 Walls and materials |
| Vegetation in elevation | 138 Water |
| 116 Trees | 139 People |
| 128 Shrubs and woody plants | Section and section-elevation |
| 129 Potted plants | 140 Introduction |
| 130 Ground cover, grasses, and flowering plants | 142 Sections through buildings |
| 132 Adding depth | 144 Section cut lines |
| | 145 Constructing a section |
| | 146 Uses and scales |
| | 148 Section cut area |
| | 150 Examples |
